

High-Tech Machine Mfg,. Inc.

People you can trust in making you
The best at what you do

Machining at High - Tech Machine

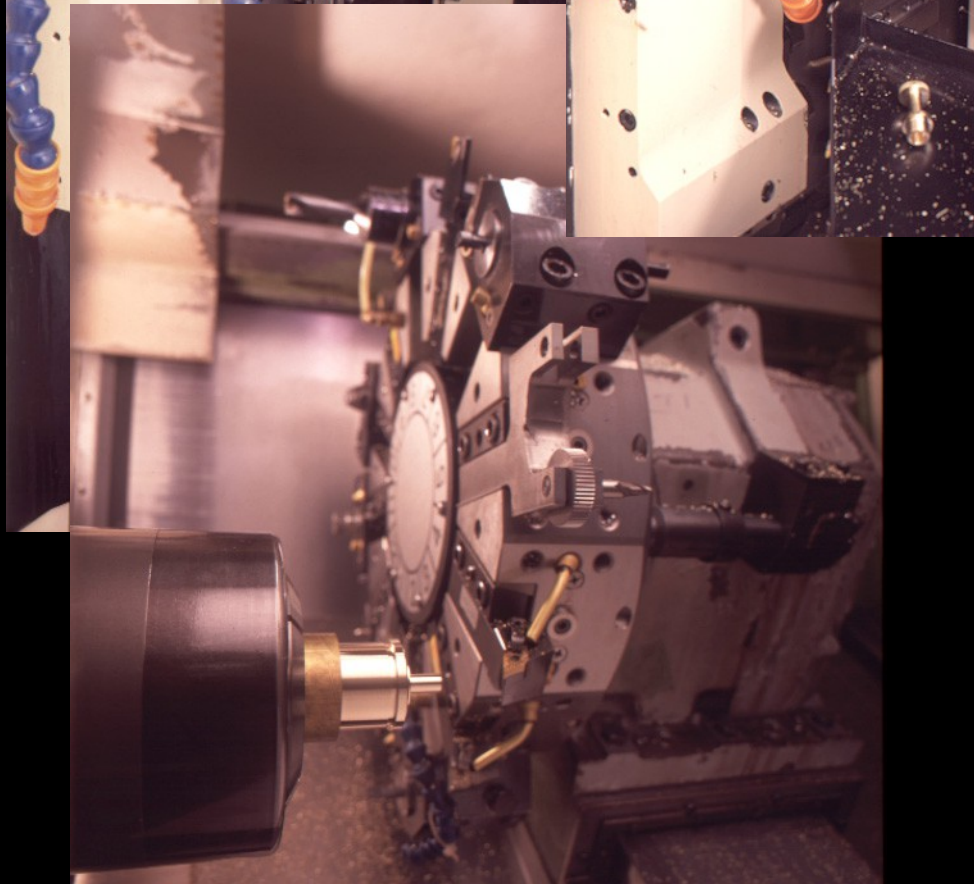

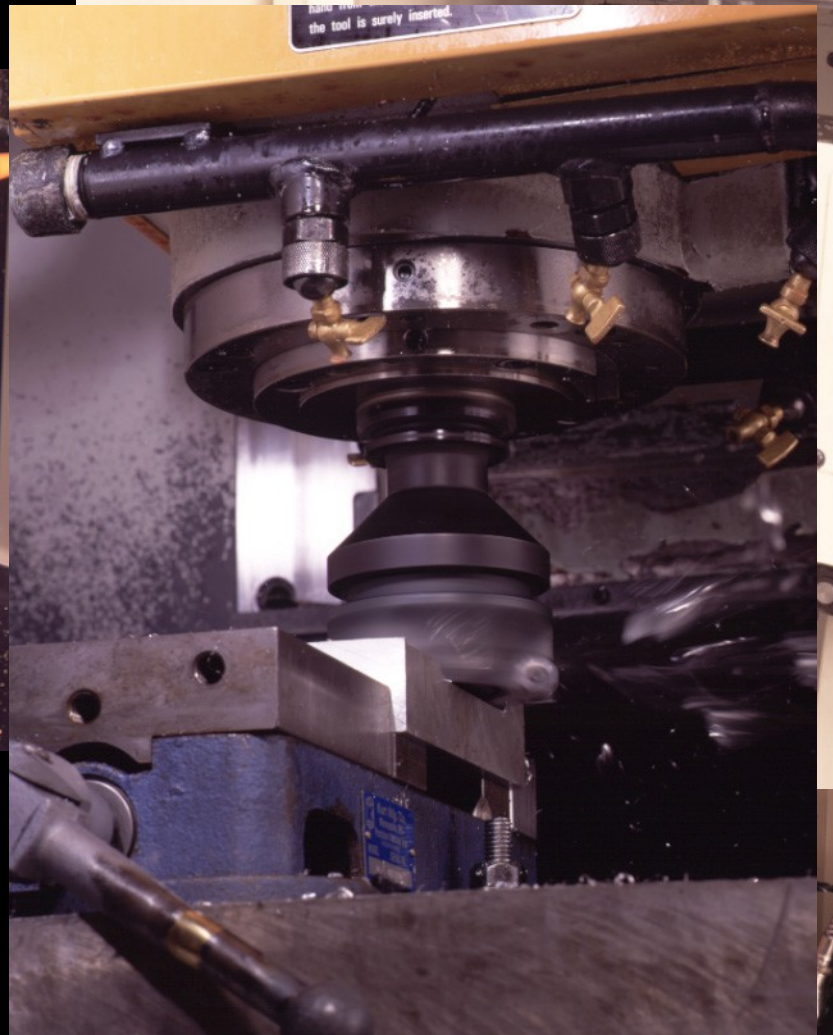

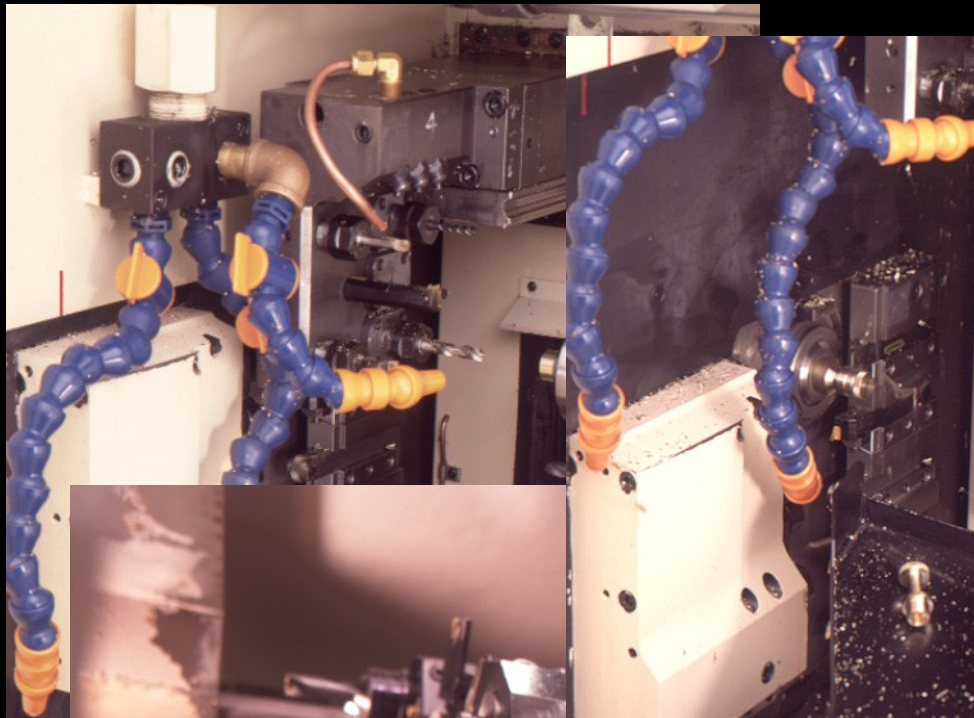

Is

High - Tech

*Sit back and let us take you
for a tour*

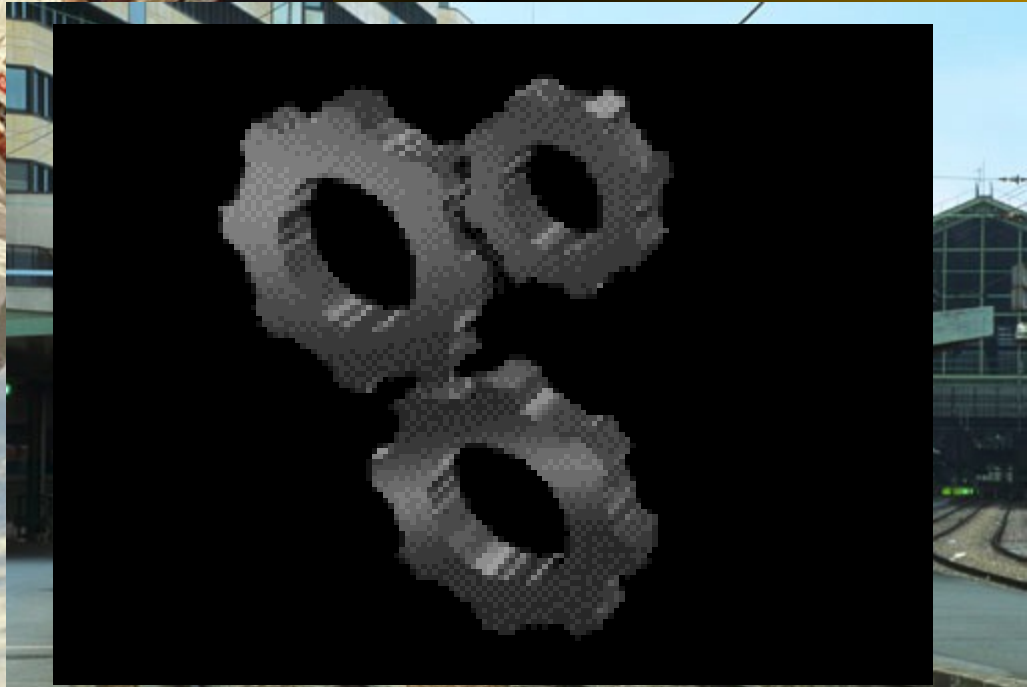

Some of the Industries we serve

- Aero space
- Automobile Parts
Supplier
- Electrical Supply
- Tobacco machinery
- Heating and cooling
- Sewing industry

Training
Contract
manufacturing
Bakery industries

- 
- Our equipment List :

•CnC Milling

- Okuma Milling CNC 40" X 20"
- Mitsu Sieki CNC 27.5" X 17"
- 5 ea. Bridgeport type Mills 48" X 15"

- Swiss 8 Axis CNC Screw Machines

- 2 ea. Tsugami CNC 8 axis CNC Swiss Screw 1 1/4" o/d. Duel Spindles with full milling y axis With bar feeder and Part pickoff
- 2ea. Tsugami NP 32mm CNC 8 Axis Swiss Screw Machine 1 1/4 with Live tooling Duel Spindles with full milling, with bar feeder and Part pickoff

- CNC Lathes

2 ea. Okuma CNC Lathes 15" X
19.80"

Mazak Multiplex 6100Y Duel Spindles
with full milling y axis, With bar feeder
and Part pickoff arm and out feeding
conveyer system

- Inspection Equipment

- 1 ea. Sheffield 20x24x15 Cnc Cmm with full Renishaw PH9 Probing
- Starrett Optical Projector 20 or 50 power with optical picking and measuring system

- Material Sawing Department

- Doall C70 Cut Off band Saw 14" X 20'
Automatic Feed
- Chop Saw 14"

• Contract Machining

- We do Stock and release Programs
- Machine a Years supply of parts and release them **ON TIME**
- You save money in set up cost = **Cheaper parts**

- **Contact us for you next quote**
